

San Antonio seniors at play

Actors J.J. Villarreal (from left) and Ann Millett perform a scene called "The Solution" in an acting

workshop for those 65 and older Friday at the Doris Griffins Senior Center. Hollywood actor Tony Plana and local stage director and actor Bill Gundry teamed up with WellMed Charitable Foundation to

conduct the experience in drama. "I feel that this process is transformative for seniors," Plana said, adding that more workshops will be offered in the future.
