

Dr. Rapier named finalist for Block Award

Congratulations to WellMed Chairman and CEO Dr. George Rapier for being named a finalist for the 2022 Dr. Martin L. Block Award for Innovation & Excellence by RISE.

RISE is "a community for healthcare professionals who aspire to meet the extraordinary challenges posed by the emerging landscape of accountable care and government healthcare reform."

The annual award acknowledges an individual's efforts to enhance the lives of America's older adults through clinical leadership, policy vision and by superior example.

Congratulations Dr. Rapier!
